ROBERT M. TORRENCE

Dedication

The hum of the lathes and the sawdust laden air are part of the familiar atmosphere in which we find Mr. Torrence directing young minds and hands in the construction of chairs, tables, bookcases, footstools, and what-have-you ---these to be proudly presented to Mom for Christmas.

Not only do we find Mr. Torrence's efficiency in the teaching of industrial arts but it comes into play in the summer when he works in the capacity of building and ground supervisor. It is then that he directs the face-lifting of classrooms for fall classes.

What does he do in his spare time? Having previously been coach, he is called upon to referee out-of-town football and basketball games. For a number of years he coached and sponsored the high school golf team.

Mr. Torrence came to Red Oak in 1942 as P.E. instructor. He taught math from 1943-1946, when industrial arts was added to his teaching chores. Mechanical drawing entered the picture at a later date and occupied part of his time until 1960.

He is a graduate of Iowa State Teacher's College and holds a Bachelor of Science degree from that institution. He is a member of Bethlehem Lutheran Church of Red Oak. We are pleased to dedicate the 1965 PEP to Mr. Torrence and to . . . . . .

....and watch your fingers.

Let's get it over with.

..... Mr. Eugene Hamilton

Even before students have entered biology class, they become aware that the figure moving about the halls wearing a frock coat, will some day be their biology teacher. He is, of course, Mr. Hamilton, who came to us as football and basketball coach in 1944. He served as assistant coach from 1946-1948, in addition to being P.E. instructor.

In 1948, Mr. Hamilton resigned to take a position as salesman. Though successful in this field, teaching proved to be too much of a lure to him and he returned to us in 1953. He taught general science and bookkeeping. At present biology takes up all of his time.

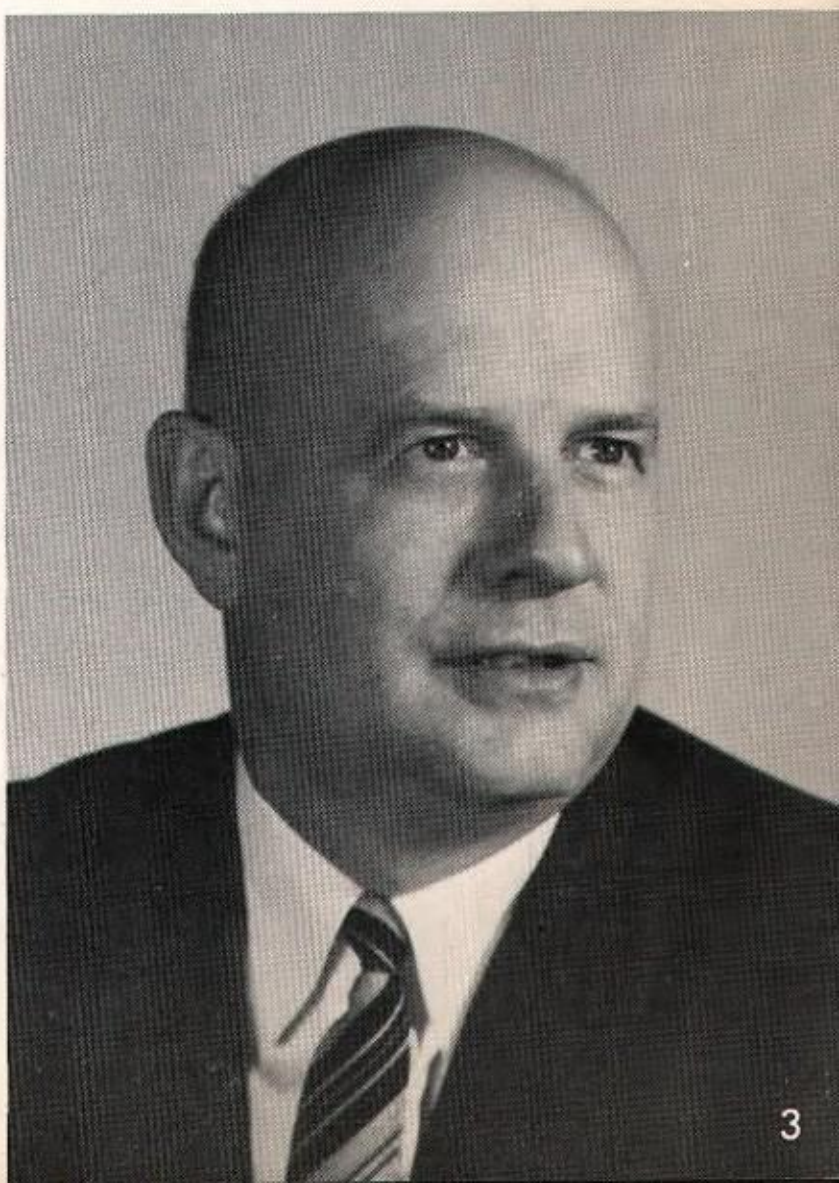
In his spare moments, he co-sponsors the Junior Class. We find him the central figure in the concession booth at every home football game. His is a rigorous and demanding job. It takes hours of planning, scheming, and prodding to secure funds for an elaborate Junior-Senior each year.

Mr. Hamilton has escorted future biologists and geologists on three biology trips, which have taken them to Yellowstone Park, the Grand Tetons, and the Grand Canyon.

He is a graduate of Morningside College, Sioux City, Iowa, from which he holds a Bachelor of Science degree. He has done graduate work at Iowa State University on a science scholarship granted him two years ago.

Mr. Hamilton is a member of Bethlehem Lutheran Church of Red Oak.

EUGENE HAMILTON



Fiftieth

How long is a half-century....from high-button shoes, model-T Fords, one-room schools, graphophones, muddy dirt streets to Dior creations, streamlined limousines, jet planes, super highways, TV, and the Space Age.

A half-century ago, the first Pep was edited within the walls of the present Junior High School. The building had been an elegant structure in its day--erected in 1898 at a cost of $17,000, it covered an area of 75 feet by 78 feet.

But with progress comes inevitable changes. As the city of Red Oak expanded and the population grew, the enrollment increased. The high school building with its bulging walls relinquished its status to the present high school. Now its walls are feeling the strain of a greater enrollment as a result of reorganization. We trust that soon a sparkling new structure will set the stage for an exciting half-century in the offing.

The history of the Pep parallels 50 years of change and progress in our high school and the surrounding community.

Anniversary

Just as our speech department earns its share of "1" ratings, so the Red Oak speech students were tops in this field 50 years ago. "Public Speaking" work was a special feature of high school activities in those days. Of the 235 pupils enrolled in high school, 70 of them participated in this activity. They were said to have surpassed those of most high schools in Iowa. Functions in this event were well attended and competition with other schools in this vicinity was keen.

A band had not yet been organized--the Glee Club made up the music activities. They furnished the entertainment preceding the debates and declamations.

In the sports field, football, basketball, and baseball prevailed. The girls' team remained undefeated; the boys' lost only two games. The football team won all but two of their games. Track, tennis, cross-country, and golf were added to the sports activities in recent years.

It has been a most interesting half-century and a peek into the crystal ball indicates that the next 50 years will be even more exciting!

At left: Essie Conn (Mrs. Ennis Holmes) submitted the winning entry when a contest was held to give the yearbook a title. Her entry, "The Pep", was judged the best. And so "The Pep" got its name.

She Named The Pep.

CLASS OF 1915

RANSOM W. FISHER, SUPERINTENDENT

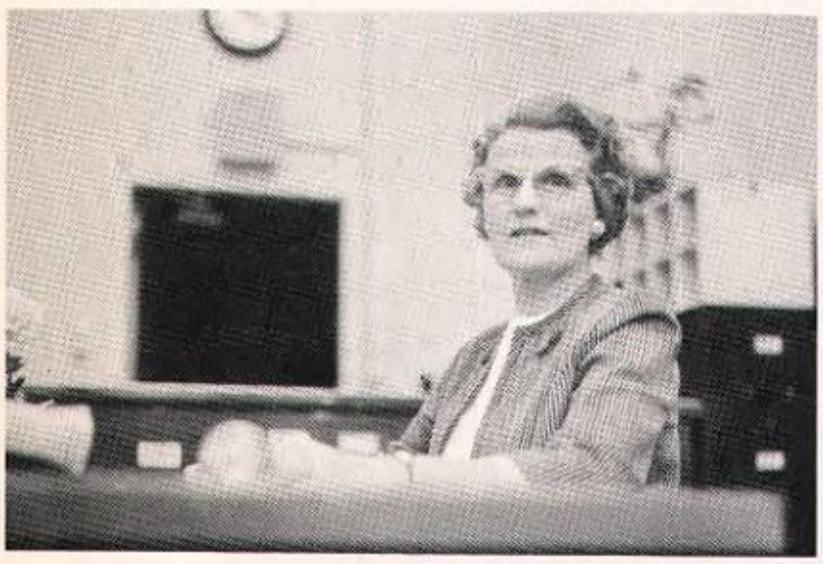
Administration

Class of 1965: Sincere congratulations to you who will soon be graduates of the Red Oak Community High School. Let me take this opportunity to urge you never to stop learning but always keep your sights continually upward.

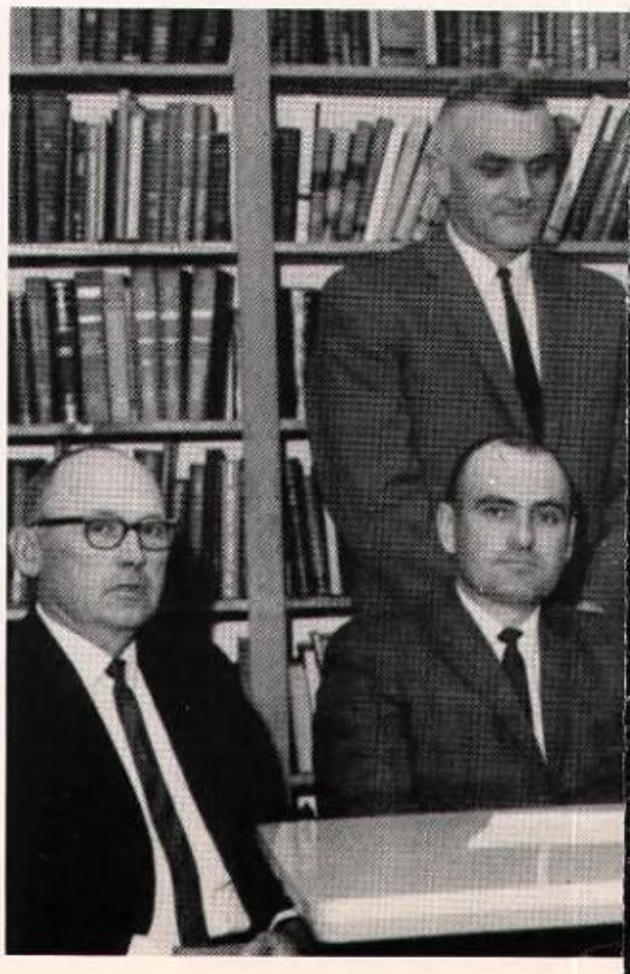
We hope that you have learned how to accept responsibility and that you have learned how to get along with others. Do not lose sight of initiative, ingenuity, and self-reliance. These are basic to our freedoms and life in our democracy. The world owes us nothing. We must earn our rightful place. God bless you!

R. W. Fisher, Superintendent

Paul Dutton, Sec'y.
Scott Killinger, Alvin D. Hays



Leonore Ostrom, Secretary
to Superintendent



The Board of Education is composed of five members (elected by the people), a secretary and a treasurer. Under the jurisdiction of the board are curricular offerings, school facilities, properties, building, and finances of the elementary, junior high, and senior high schools.

For their services to the citizens of our community and to the students of our school system, we express deep appreciation.

BOAR

Administration

Building a firm foundation for our education depends a great deal on the efforts of our administrators.

We are fortunate in having for our principal one who believes in and aids in the fulfillment of our private hopes and dreams. We, being the young who will decide the future, need the experience, the knowledge, the guiding hand of one so interested in our welfare as Mr. Tock.

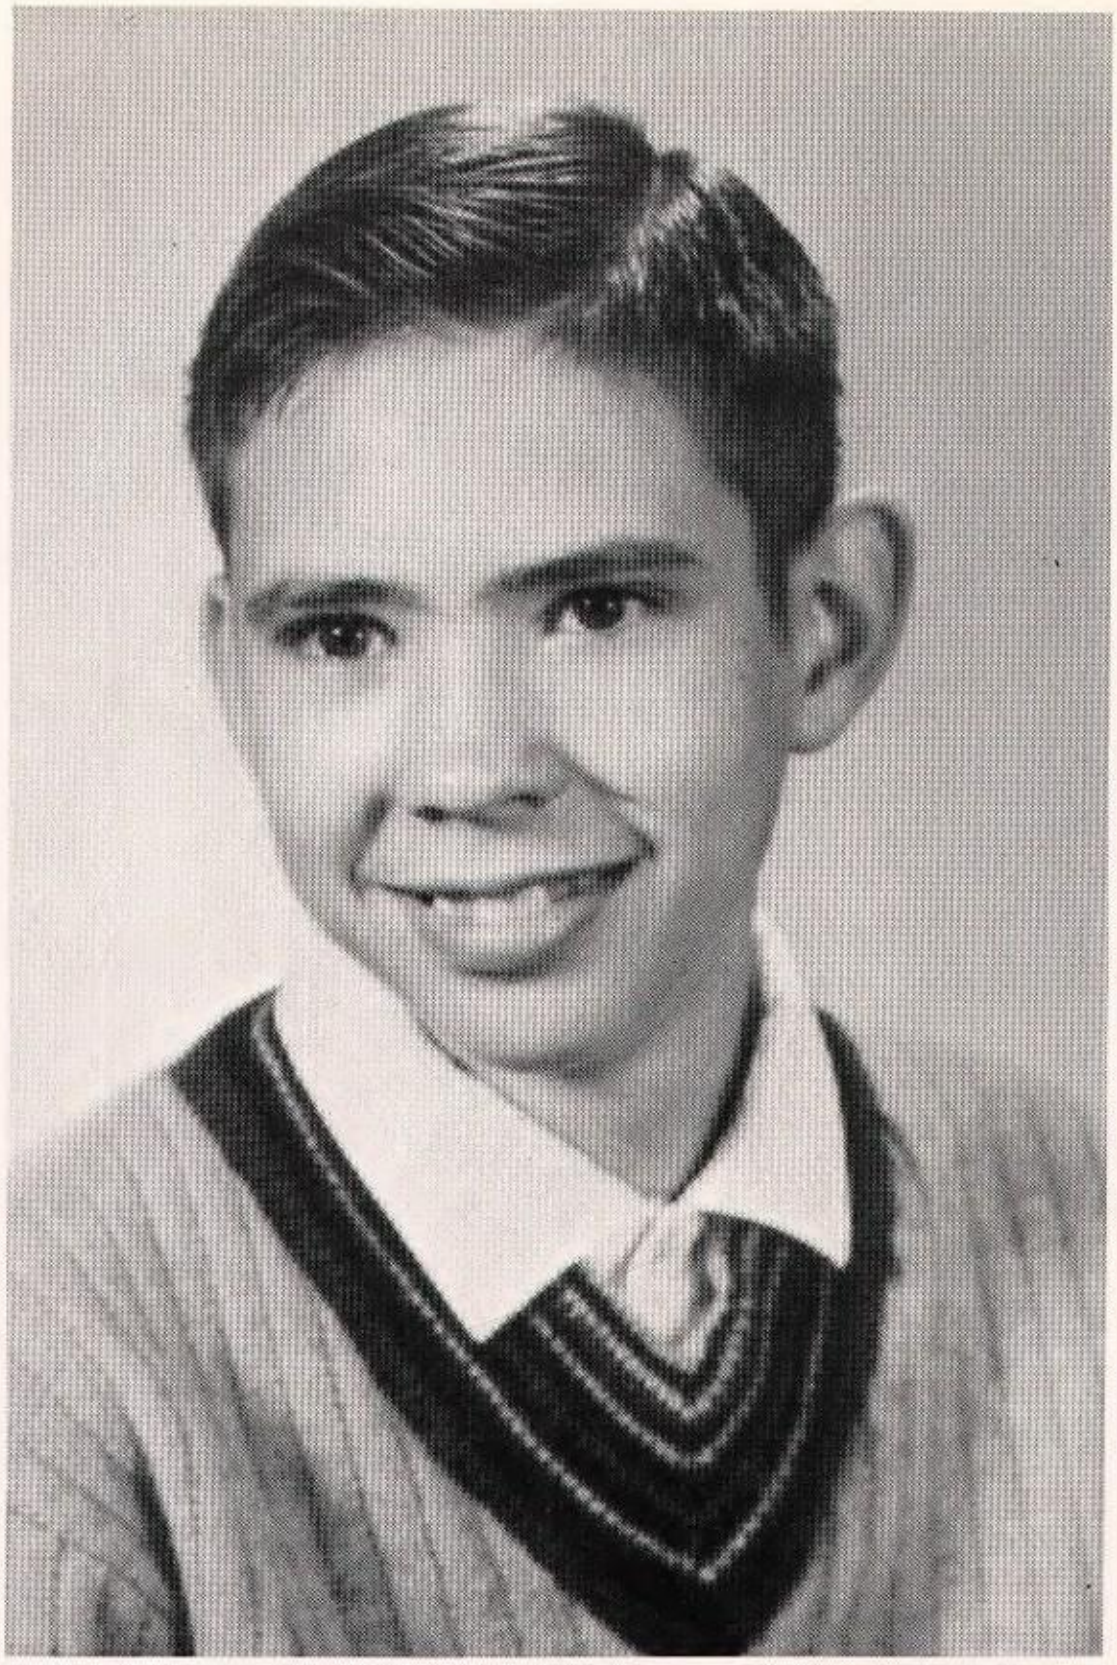
In Memoriam



MIKE GUSTAFSON

To those who knew him well, Mike Gustafson was a warm and generous friend. To his family he was an understanding son, brother, and all around good companion. To his pastor he was a thoughtful, serious, young member of the Presbyterian Church. To his fellow students he was a shy, slim boy with a friendly smile.

Mike had two favorite hobbies, traveling and building models of planes and ships that were involved in service during World War II and the Korean Conflict. He did research on these planes and boats, compiling their entire histories.

He enjoyed traveling and had traveled in eighteen of our states and Canada. He especially loved the mountains, and would climb up into the rocky heights and take extensive hikes. He enjoyed the peaceful atmosphere of nature.

Whether we knew him well, or only slightly, we will miss this sixteen year-old boy and keep his memory warm, and be glad we knew him even for so short a time.

Faculty

Faculty

The soundness of a building is determined by the firmness of its foundation. So the caliber of a high school education helps determine the quality of tomorrow's citizens. We boast of a staff of efficient teachers who spend many hours planning, preparing, and presenting study material, the building blocks of this foundation. To them we are grateful.

Cooks Custodians Bus Drivers

Mrs. Marie Clausen, Mrs. Iva Bishop, head cook, Mrs. Margaret Ross, Mrs. Mae Freeman, Mrs. Gladys Butler, Mrs. Frieda Howrey.

COOKS

The largest restaurant in Montgomery County is located in the high school's old gym. The six cooks of this enterprise serve, in one meal, more people than the combined restaurants of Red Oak serve in a day. Five to six hundred students congregate five times each week to give these cooks more than a small task in preparing a nourishing and balanced meal.

SEATED: Mrs. Catherine Derby, Charles Ashbaugh, Floyd Derby.

Should you by chance, happen to be on the school grounds after the day's activities have ceased, you would more than likely come upon the custodians of our school. These are the people to whom we owe thanks for picking up after us and putting up with our untidiness.

Entrusted with the safety of our classmates and friends, are these bus drivers, pictured below. They are not only worthy of the confidence placed in them, they are also friends to those students with whose lives they are entrusted.

Sergio
Zannini

His American Family, the Sibleys.

His Own Family in Costa Rica.

The American Field Service is a private educational organization which has specialized on the teenage level since 1947. It is a peacetime program to further the basic friendship which exists among all men.

Our ninth exchange student, Sergio Zannini, comes to us from Los Sauces, a suburb of San Jose, Costa Rica. The Reverend Harold Sibleys are his American family during his stay in Red Oak. Sergio attended Liceo de Costa Rica before coming to America. Before graduating from his high school in Costa Rica, Sergio states that he will be required to take final examinations over his 6 months schooling before coming to America and the 6 months after leaving ROCHS. He would like to major in aviation when he goes to the university --electronics is his next choice of vocations.

Sergio is favorable impressed with our country. He has fallen victim to our hamburgers and hot dogs, but says he misses tortillas and rice from his home kitchen.

Carol Fifield

Carol writes about her trip to Chile as a foreign exchange student:

My AFS summer in Chile was wonderful It was so easy to love the friendly, good humored people and their beautiful country. One of their customs that I liked best was hugging everybody when you greeted them. I also enjoyed eating four meals a day and attending their lively parties, that lasted until about six in the morning!

I loved my family, the Pobletes, very much. By living with them in Concepcion, Chile, for ten weeks, I learned their way of living, their language, and their hopes for world peace. For me, the AFS motto has come true: "Walk together, talk together, O ye Peoples of the earth, and have Peace."

Juniors

To fulfill the responsibility of becoming the leaders of ROCHS in the year to come, we must be prepared to exercise good leadership, wise decisions, and good common sense. The foundations to meet this task has been laid, thanks to the guidance, the counselling, and the patience of teachers who are deeply interested in our welfare.

Freshmen...it's time to realize that high school is not only a structure of bricks and mortar, shiny floors, parties and dances. It's time to do some serious thinking about our future...to choose a vocation and know the shortness of the time left us here, and take part in it with all our might.

The 1964-65 ROCHS Student Council under the sponsorship of Mr. Tock, has proceeded with the idea of doing things differently. Under the leadership of president, Curt Lantz, the group added many new ideas.

Renewing the idea of having a homecoming parade was the first. This, along with the other activities of homecoming, proved to be a great success.

From the "Suggestion Box" came the idea of having a Christmas card tree which was given to the Salvation Army. A mystery Santa Claus and a locker decoration contest were also held.

Meetings with the faculty were held to discuss the relationship between the teachers and the students. A new victory bell and the continuing of the VIT Board were also part of the Student Council's work. This proved to be an active year for the Council.

Vocal Music

Mr. Nelson, Director

John Schantz, Pres.; Nancy Miller, Sec'y.-Treas.; Diane Bergren & Joe Knutson, Librarians; Bob Baldwin, V-Pres. & Accompanist; Connie Anderson, Accompanist.

This year the Vocal Music Department, under the direction of Mr. Nelson, has played an important role in school activities. As we can tell, the members of this department have been very busy. They loved it, too! On October 31, six quartets from the Senior Choir auditioned for the A 11 State Chorus. The quartet of Connie White, Diane Bergren, Bob Baldwin, and Phil Anderson were accepted, taking part November 28 in Des Moines. Highlights of this year came in November with the Fall Concert and December with the Christmas Vespers Program. Much pleasure was given to the community by these vocal music presentations.

Making its annual journey to Shen on February 9, the Senior Choir joined other choirs in presenting the Shenandoah Music Festival. On March 18 & 19, the delightful musical "Bye-Bye Birdie" was presented by the Freshman Chorus. The Senior Choir participated in Small and Large Group Contests on April 13 and May 1. The Southwest Teachers Convention was entertained on April 5 by the Senior Choir. Red Oak was host to the Iowa State Singers, under the direction of Robert McCowan. Their beautiful singing added a touch of culture to our city.

For the forty-odd staff members who worked in preparing this book, a point has been driven hard home: You never appreciate an annual until you have participated in its creation.

It is a long, difficult, frustrating task to compile an orderly record of a nine-month segment of life. We hope we have accomplished our goal.

Acorn

Kay Mueller, Editor-in-Chief
Mrs. Helen Housman, Sponsor

The Acorn, a small seed among many, in time developes into the greatest of trees. Likewise, our Acorn may be small and one of thousands of school papers, but it, too can develop into an instrument of great potential and power.

The Acorn--now in its 75th year--has two main purposes; first to create a better understanding between teacher and student, and second to record the history of the school.

Many hours of preparation go into each issue of the Acorn. From the time the page editors decide upon stories, to the final proofing, every one on the staff must put forth the utmost effort to make a paper of which our school can be proud.

In order to publish the paper, the Acorn staff must raise needed funds. Staff members do everything from selling popcorn to managing the "Book Nook".

The Acorn is a powerful tool, for not only does it represent the students, and the school itself, but more importantly the community.

SPONSOR

Mr. Lynn Adams

District speech contest was held at Carson-Macedonia High School on Feb. 26 and 27 of this year. Contestants of Red Oak went in the fields of debate, one act play, play reading, oratorical declam., interpretive prose and poetry, dramatic declam., humorous declam. and story telling.

In large group fields play reading and debate went to state contest. Our debate team challenged and won against T.J. and A.L. Congratulations to them and to play reading for receiving ones. Congratulations also to the six students who received ones in their individual fields. A very good job was done by all.

Jesters

OFFICERS

Treasurer, Stan Pfeiffer; Secretary, Laura McQuown; President, Cyndy Fisher.

The Jesters is the junior dramatics group connected with the drama department. Many students interested in dramatic and speech contest functions find enjoyment in this club.

They have monthly meetings at which they dream up various money making projects and put on skits for their own experience and entertainment.

Many Jesters go on to become Thespian members. This is, however, only part of the reward of belonging to this junior dramatics group. It also helps to give a person confidence and poise.

In the school year 1964-65, over 80 girls, with the purpose in mind of growing spiritually, mentally, and socially, joined Y-Teens. A branch of the YWCA, and sponsored by Miss Klopping, Y-Teens welcomes any high school girl that wishes to become a member. Regular meetings are held every month and programs are planned to fit the interests of the girls.

Adopting an orphan from the Christian Home in Council Bluffs is an annual project. This year they adopted five year old Janis and six year old Byron and sent them gifts each month and for special occasions.

Other service projects have been to send gift certificates to the needy at Thanksgiving and buying a suit of clothes for two needy children. Social events include the Dad-Daughter Banquet every fall and the Mother-Daughter each spring. This year Y-Teens also sponsored a no-date party, and a talent show. At the end of each school year, a $100 scholarship is given to some deserving senior girl planning to go on to college.

Funds for paying expenses are raised by selling candy, Y-Teen tags, and football programs.

Future Nurses Clubs became nationally sponsored in 1954 by the Committee on National League for Nursing, in recognition of their part in helping to meet the country's need for nurses. The national charter was first offered in 1960; by early 1962 approximately 1300 clubs were chartered.

The purpose of Future Nurses Club is to bring together in high school young people interested in careers in nursing and health in order to share their interests, to explore opportunities and requirements in these fields, to grow as individuals by working together, and to learn about the community life in which they soon will participate as informed citizens.

The Red Oak Chapter of Future Nurses was established in early 1964. The sponsors are Mrs. Katherine Swanson, the school nurse, and Mrs. Glen Skallerup. The meetings are held every first Monday of the month in the doctors lounge at Murphy Memorial Hospital.

During the school year, Future Nurses has had guest speakers, such as Dr. Wolfe, Mr. Cos, and Mrs. Edie. Also interesting films are shown on varied nursing fields, as well as field trips throughout the year.

Football

The 1964 Tiger Football Team greatly improved upon last year's 2-6 record and ended the season with a 6-3 mark. Included in this year's campaign were victories over Harlan, Glenwood, Clarinda, St. Joseph Benton, Corning, and Griswold, coupled with defeats at the hands of Creston, Shen, and Atlantic. A formidable defense and well-balanced offense provided the Tigers with their early wins. A mid-season slack destroyed Tiger hopes of a conference title. The team rallied toward the end of the year to defeat two of their last three opponents and close the season with a fourth place finish in the conference.

We regret that Coach Benda decided to retire this year. His retirement ends a successful 14 year coaching career. The Tigers who were fortunate enough to have him as a coach would like to thank him for his contributions to the school and to the players themselves.

The ROCHS Tigers ended conference competition with a 10-2 record and finished second place behind Athlantic. In a tremendous finish, the Tigers lost to Atlantic by only four points in a fight-to-finish overtime.

Another outstanding achievement was the fact that a conference record was broken by the Red Oak Tigers in the game against Clarinda. At this time 104 points were tallied on the scoreboard by the Tigers.

Chosen for First Team All-Conference were Bob Lovejoy and Curt Lantz. Second Team All-Conference honors went to Denny Hammer.

Lettermen were: Lantz, Lovejoy, Hammer, Dalton, Jones, Bloom, Afdahl, Hicks, Finley.

After defeating East Union by a score of 61 to 51, the Tigers won the District Tournament and advanced to Sub-State, at Farragut. They were defeated by Thomas Jefferson of Council Bluffs by a score of 60 to 55, ending the regular season for the Tigers.

Bob Lovejoy was elected captain by the varsity basketball boys.

Another season of intramurals activities is over. Now we have time to recover from some of the scrapes, bruises, and cuts that we have received in volleyball and basketball. At times it has been rough, but we learn to take the bad with the good.

Intramural sports was introduced to ROCHS in 1958. Under the direction of Mr. Morrison and the Intramural Commission, policies, rules, and regulations were set up for the intramural activities of the school. They were the governing body.

Intramural, meaning "within the walls" stresses equal competition. Each student has an equal chance to participate on athletic teams and events that are otherwise not included in the inter-scholastic athletics. Varsity athletes may participate in the intramural program when their sports are not in season.

Awards are presented to each member of the winning teams in team competition and each individual in single and doubles competition.

Each fall a new commission is elected to fulfill the above duties for the new year.

BOYS GOLF TEAM

The ROCHS Golf Team, after placing 5th in the state at Des Moines last year, met with very tough competition last spring and were unable to qualify for the state meet. The Tigers did, however, show their golf form by being victorious in dual meets with Shen and Harlan, and just barely being edged out by a strong Atlantic team.

With four returning lettermen and some promising newcomers, plus the able coaching of Mr. Sheplee, the Tigers are looking forward to the conference title next spring.

Letters were awarded to the following: Seniors, Mark Sellergren, Marshall Victor; Junior Jim Scherbring; Sophomore Chip Ingmand; Freshmen Mike Logan and Jon Vest.

Cross Country

The ROCHS Cross-Country Team turned in another stellar campaign this past year under the direction of Mr. Stanton. The first half of the season was devoted to mile-team racing with the second half consisting of regular cross-country racing. This year Red Oak was host to its own mile team race meet, which attracted various Southwest Iowa schools.

Red Oak completed and won several dual and triangular meets and really added a feather to their cap by winning the State Class A mile team championship. This was only the third state championship Red Oak has ever won in athletics. Red Oak journeyed to Clarinda's course and finished third in the Hawkeye Seven Meet. They came back strong the next week by placing second in the State Cross-Country Meet at Des Moines.

The reserves performed exceptionally well as they won every meet they entered.

Lettermen this past year were: Curt Lantz, Terry Kammerer, Dick Jones, Don Jenkins, Cap't. Paul Fish, Cap't. Gary Swift, Dan Rold, Steve Wood, Mike Allen.

With so many returning lettermen, Red Oak is looking forward to another great season next year.

Tennis

Joanne, Barb, Polly, John.

TOP ROW: Coach Gene Whiteman, Suzie Kelker, Cindy Van Druff, Polly Smith, Barb Houghton. FRONT ROW: Joanne Sungren, Linda Houghton, Connie Ploghoft.

Both ROCHS Tennis Teams had a very successful year, winning all of their dual meets.

In the Girls District Meet, the girls came through with a clean victory. Barb Houghton captured the singles crown over Joanne Sungren; Polly Smith and Cindy Van Druff won the doubles crown over Abraham Lincoln. All these girls made a good showing at the State Meet.

John Odell and Bob Houghton captured the District Doubles title; Marv Hultman and Steve Victor were eliminated in the second round; Denny Bloom and Don Finley were eliminated in the second round of singles; John and Bob were first round losers at the State Meet.

These teams were coached by Gene Whiteman. With 10 lettermen returning, the teams are looking for another successful year.

Mrs. Rodenberg —
It's been great working
on the pep with you. I'll
never forget all the fun
and laughter we've had.
Sincerely,
Mary Youngpeter

Mrs Rodenberg,
It sure has been a real
treat working with you
All of us girls will miss
you. Sorry you are leaving

Caroline Kinser

Mrs. Rodenberg.
I've sure appreciated
the help & sound guidance
me in finding books in
the library. Best of luck
always!

Carol

Mrs. Rodenberg, I'd like to appreciate in this
way some of the assistance you have helped
me. Since I've been working with you I've
learned a lot about the library. I needed help
many times & you've always been willing to
give it. I tried to help you when I could.
I'm sorry I am unable to help you more
as a freshman when leaving.
I'm a freshman leaving.
Good luck!
Margaret Stallard

Dear Mrs. Rodenberg,

Thanks for the lovely
gift. I'm so glad you liked
the flowers, Rody helped us
decide what to get. It's been a
wonderful year and I won't ever
forget it. I'll call you soon
Love, Mike and I would like you
have made it without you.
next year's staff is half as much fun.

Love,
Jonie
